

Northern Crafts Booking Form 2024

Prices valid for bookings made on and from the 1st of February 2024.

A £10 non-refundable* booking fee per fair is required at time of booking, with the remaining balance being due 2 weeks before each fair. Balance payments are non-refundable and non-transferrable. For stallholders booking 10 or more fairs a £5 booking fee per fair will be accepted.

All stalls must be paid for in full in advance by either bank transfer (preferred) or cheque.

The stall fee covers a standard table only (usually 6ft) and all additional display space** you require must be paid for separately by the additional number of feet you want to extend by at the side of your table. You will be asked to remove additional tables and displays if they have not been pre-booked and paid for in advance.

To complete please circle the table size you would like to book at each fair you are booking and remember to add on any additional space you would like to book.

Please insert your total table fee in the end column.

* Booking fees are non-refundable and non-transferable unless the fair is cancelled directly by Northern Crafts due to lack of stallholders at a particular fair or illness for example. Where a fair is cancelled for reasons beyond our control booking fees are non-refundable but can be transferred to other fairs or existing bookings. If you cancel your attendance at a fair for whatever reason the booking fee is non-refundable and non-transferable. This forms parts of our standard T&C's that should be read and accepted before booking any fairs.

** To ensure fairness for all stallholders, especially those that prebook double tables, all additional display space at the side of your booked number of tables must be paid for in advance. It may be worth booking a double table if you require a lot of additional display space.
