

Northern Crafts 2023

Please note that a **£10 non-refundable administration fee per fair** is required. Bookings are not secured until the administration fee has been received. ***The fee is included in the overall stall cost in the table below so please subtract it to work out your balance payment.***

Administration fees are non-refundable and non-transferable. (Please note that if fairs are cancelled for reasons beyond our control this administration fee is not refundable. It will however, when possible, be used as part payment towards other fairs booked with us during 2023). However, if fairs are cancelled directly by us for other reasons such as lack of stallholders, fees paid will be transferred to other fairs booked or refunded.

The non-refundable **balance is due 2 weeks before** the event. If you book 10 or more dates at the same time a £5 administration fee per event will be accepted.
